Petition to Withdraw Application From Issue After Payment of Issue Fee (37 CFR 1.313)

Attention: Ms. Frances Hicks, USPTO Office of Petitions

To the Office of Petitions:

**RECEIVED**  
NOV 02 2006

**OFFICE OF PETITIONS**

The Applicant hereby respectfully petitions to withdraw from issue U.S. Patent Application Serial No. 09/884,861, which is to issue November 7, 2006. The reason for this Petition is to allow consideration of a Request for Continued Examination (RCE) filed herewith in compliance with 1.114. The reason for the RCE is that a review of online priority data indicates that a priority claim to two provisional applications, which was made in an Application Transmittal filed by predecessor counsel in this case (see copy attached hereto), is not reflected in PAIR. Accordingly, the Applicant wishes to amend the specification to add a sentence confirming the claim of benefit from the two provisional applications.

The Request for Continuing Examination and the proposed Amendment to the specification, adding the appropriate sentence to the specification, are attached hereto.

Please charge the Petition fee set forth in 1.17(h) to the Jacobs & Kim Deposit Account No. 503243. Thank you for your consideration of this matter. If any questions remain, the Office is respectfully invited to contact the undersigned by telephone.
